WHAT IS ...

DOSA: A rice and lentil crepe with a seductively sour, tangy flavor and airy, crisp texture. It's gluten-free, vegan, and fermented.

Take home a quart of our ready-to-pour batter for the best GF, vegan pancakes, waffles, and wraps!

COCONUT DALIA CHUTNEY: A traditional dosa dipping condiment of fresh coconut, roasted chickpea dal, ginger, and chiles.

SAMBAR: A mix of lentils, vegetables, tamarind, and a host of savory spices to dip your dosa into.
Take some home to serve with dosas or over rice!
